NOTES:

1. Typically, a student with at least a "C" average in SPM or GCE "O" Level will be required to take six subjects with English Literacy Test to complete the Ontario Secondary School Diploma (OSSD) which is the requirement for entry into Universities and Colleges in Canada.
2. Application Processing - After receiving an Applicant's complete application, it will be reviewed by Toronto Preparatory Academy and Toronto Prep Academy Malaysia to determine the number of subjects required to complete the OSSD.
3. The above durations for the completion of the OSSD requirements assume that the Applicant has to complete six subjects plus the English Literacy Test.
4. The maximum number of subjects allowed to take in a year is six. In certain cases, more than six subjects are allowed.
5. Letter of Acceptance - If all required documents are in order and the Applicant has satisfied all the prerequisites, Toronto Preparatory Academy in Toronto will issue a Letter of Acceptance.
6. Typically, in order to enroll in a college or university in September, the application form to enroll has to be submitted by March 15th. Application form for January enrollment has to be submitted by September 15th. Application form for May enrollment has to be submitted by February 15th. See the chart below.
